

The Congregational Baptist Church of Chester, NH, United Church of Christ and American Baptist Churches, is seeking an enthusiastic and qualified organist/pianist/choir director to lead our small but capable adult choir in its vital music ministry. We treasure our restored Woodberry and Harris tracker-action, 8 rank organ. This part time position involves playing at one traditional Sunday morning service. The service is at 10:00 AM year round. The position also requires choosing appropriate music for and accompanying and directing the Choir from the organ or piano (as required) from mid-September to mid-June. Choir rehearsal is currently on Thursday evenings at 7:00 PM. Some additional services are required throughout the year (e.g. Maundy Thursday and Christmas Eve) as determined by the ministerial staff. Salary is negotiable based on experience. Ideally, the position would begin on January 3rd for choir rehearsal and January 6th for the first Sunday service.
