

March and April NHAGO Virtual Meetings

We are designating "Healthy, Efficient Practice" as our March meeting and "A Messiah for Our Time" as our April meeting

On Saturday February 27th, the Merrimack Valley Chapter of the AGO presented its annual Mini-Convention online. The MVAGO was honored to welcome two eminent speakers: Ian Watson, who described his experience as conductor of the Handel and Haydn Society's "A Messiah For Our Time," and Katelyn Emerson, who spoke on "Healthy, Efficient Practice: How Do We Learn?" If you would like to view these presentations, please follow the links below.
